

CleanSlate™

Clearing Records. Rebuilding Lives.

Problem

Over 70 million Americans have a criminal record restricting their chance at jobs, housing, and education. More than 25 million are eligible for expungement today, but costly (\$900–\$2,500) and complex legal steps block

Solution

CleanSlate automates record clearance for a flat \$175 fee.

Users answer guided questions, verify, and download official expungement forms in minutes with optional attorney review for states requiring filing by counsel.

Market Opportunity

- 25M eligible individuals × \$175 = \$4.3B addressable market.
- Justice re-entry partnerships ≈ \$260M annually.
- Expansion: California → Texas → all 50 states by 2026.

Business Model

- Direct fee: \$175 per client (flat rate).
- Add-ons: \$99 Attorney Review • \$15 e-Filing • \$49 ID Monitoring.
- 20% revenue-share with nonprofit and legal aid partners.

Traction & Funding

- MVP launched in California & Texas (Q1 2025).
- Projected 2026: 4,000 users • \$700K revenue.
- Raising \$350K Seed Round for national rollout and attorney network.
Use: 40% Dev • 25% Marketing • 20% Legal & Compliance • 15% Ops.
